

Our family center is colorful and multicultural. Children from many different nations are playing in our house, that's why there are special offers in our center. Our employees Miss Scharf and Miss Dubovci, are trained in intercultural education and are contact persons for families with migration background. Parents are welcome to speak to us. The family center offers for example a pacifier café for toddler, a yearly celebrated culture festival, international guided cooking, information papers in different languages and much more. We are looking forward for your visit!
